

Eight new 3 & 4 bedroom lakeside Vacation Lake Homes built since 2000. They include great rooms lined in knotty pine, full kitchens with dishwashers and microwaves, 2 bathrooms, electric heat with individual room controlled heating, etc. Some units have fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three of our vacation lake homes are wheelchair accessible and include roll-in showers.

Our Vacation Lake Homes are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

Vacation Lake Homes #2, #8A & #8B are wheelchair accessible with ramped entrances and extra wide doors and hallways as well as a bathroom with handrails and a wheelchair accessible roll-in shower. The lodge and recreation center are also wheelchair accessible. The resort grounds are relatively flat, allowing wheelchair access to most of the resort grounds. In the fall, we offer guided hunts for those of limited mobility and have wheelchair accessible deer stands.

RAINBOW RESORT is open year around and has more than 20K of on-site cross-country ski trails groomed for classic and skate skiing. Day ski passes are free for our resort cabin guests. Ski right from the door of your vacation lake home. Little Bemidji Lake is located right on a network on hundreds of miles of groomed public snowmobile trails in heavily forested area. Ski, snow shoe, ice skate, & fish house rentals as well as a sliding hill are provided for all kinds of winter fun.

The children love the swimming beaches (there are two), which are marked by buoys. We have RAVE beach equipment. An observation dock and benches are provided for watching the children have all that fun. The children will also enjoy our playground, which is next to the recreation center. The recreation center has electronic games and pool table and is where many of our supervised children activities are held. We have canoes, kayaks, & paddleboats for all kinds of fun.

Fall and spring is an excellent time to do some hunting and fishing. We have some of the best grouse hunting in the country with thousands of acres of public land on which to hunt. We also have other small game hunting and good duck hunting. Big game hunting for bear and deer is also excellent. We offer private deer and duck hunts on resort property and have guide services.

Our lakes have good fishing and very clear water. From the lodge you can watch the fish in the lake. Fishing boats, motors & pontoons are available for rent. From our resort you have access to three lakes. Between the three lakes there is close to 1600 acres. We are an electronic licensing center so we can issue any type of license you might need including fishing, hunting, skiing, etc. Our resort has shoreline along two lakes and one river.

The lodge has a short order grill and miscellaneous supplies, including beverages and snacks, groceries, oil & gas, fishing tackle, live bait, ice, etc. The front of the lodge provides a scenic second story view of the lake. Watch the loons, deer, beavers, otters, trumpeter swans, eagles, etc. which frequent the lake. The lodge makes a great dining/meeting place for company retreats and conferences. Meal packages are available.
