

Eight new 3 & 4 bedroom Vacation Lake Homes have been built since 2000. They include great rooms lined in knotty pine, dishwashers, microwaves, 1 ¾ baths, electric heat with individual room controlled heating, etc. Some units have fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three of our new Vacation Lake Homes are wheelchair accessible with a roll-in wheelchair accessible shower.

Vacation Lake Homes are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

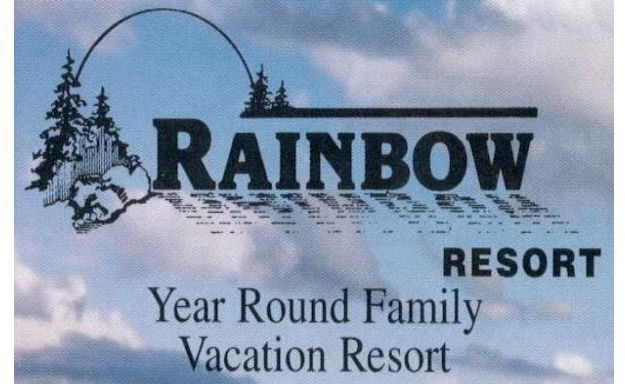

Located on the north boundary of the Tamarac National Wildlife Refuge, we are an excellent place for bird watching and observing wildlife. The fall colors are spectacular. Spring and fall are great times of the year for hayrides on our 13 miles of private trails. The resort trails also make for great hiking & biking trails. There are hundreds of miles of public trails for mountain biking. Scenic Itasca State Park and the headwaters of the Mississippi River are just ½ hour away.

Spring and fall are great times of the year to enjoy an early morning sunrise and the sights and sounds of nature. There are a variety of golf courses in the area within a 45 minute drive. Our disc golf course is fun for the whole family. We also have canoes and kayaks for exploring the chain of three lakes, which we are located on. For those days when it rains we have the game room with pool table various and electronic games.

Fall and spring is an excellent time to do some hunting and fishing. We have some of the best grouse hunting in the country with thousands of acres of public land on which to hunt. We also have other small game hunting and good duck hunting. Big game hunting for bear and deer is also excellent. We offer private deer and duck hunts on resort property and have guide services.

The children really love the playground, which is conveniently located close to the lodge and the recreation center with game room and self-service laundry. Benches are provided so that you can sit and enjoy the scenery while the children play on the playground. The playground is next to the recreation center, which has electronic games, a pool table, chalkboard and all sorts of other fun things for the kids. We also have scheduled children's activities during the summer months. The children will also enjoy our swimming beach and paddleboats, which are free of charge.

Here is a nice 28 ½ inch walleye caught fishing opener May 2004. We have fishing boats, motors & pontoons for rent, fishing guides and pontoon tours of the lakes. From our resort you have access to three lakes with 1600 acres. The water is very clear and there is a variety of fish including walleye, largemouth bass, crappie, northern pike, pan fish, etc.

Newly remodeled in 2001, our lodge has a short order grill and miscellaneous supplies, including beverages and snacks, groceries, oil & gas, fishing tackle, live bait, ice, etc. We are an electronic licensing center so we can issue any type of license you might need including fishing, hunting, skiing, etc. The front of the lodge provides a scenic second story view of the lake. We have binoculars for watching the loons, deer, beavers, otters, trumpeter swans, eagles, etc. which frequent the lake. Our recreation center has a game room, a operated laundry, and a shower facility.
