

Eight new 3 & 4 bedroom lakeside Vacation Lake Home rentals built since 2000. They include great rooms lined in knotty pine, full kitchens with dishwashers and microwaves, 2 bathrooms, electric heat with individual room controlled heating, etc. Some units have fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three vacation lake homes are wheelchair accessible and include roll-in showers.

Our Vacation Lake Home rentals are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

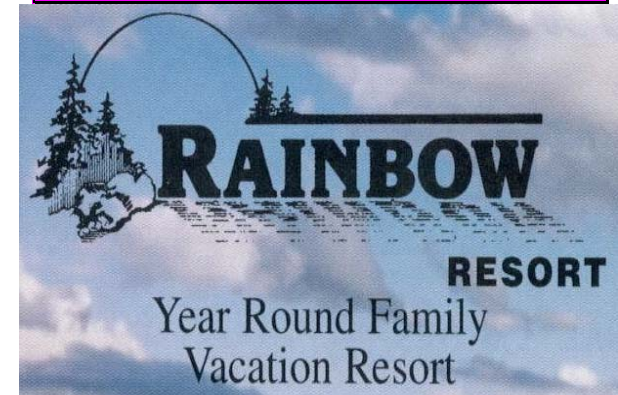

RAINBOW RESORT is located right on a network on hundreds of miles of groomed snowmobile trails in heavily forested area. The county leaves their groomer overnight at the resort when grooming because of our central location. Several trails lead onto our lake so you can snowmobile right from our lake onto the trail system. It is not uncommon in our area to be the one who breaks a fresh trail or to be able to see all kinds of wildlife.

Our remodeled cabins and new vacation lake homes are fully modern and winterized. Located about 50 to 150 feet from the lake, they provide beautiful views of the lake from their decks, which extend along their entire front. Picnic tables and grills are provided on the decks. The decks are facing south so they make for great outdoor grilling locations in the winter.

We are located in an area known to Native Americans as the “height of land” where great rivers begin their journeys to the sea. Because of the heavy snowfall common to this area, it is also referred to as the “snow ridge”. We normally have snow from the middle of November to the middle of March. Our area does not get a lot of traffic even on weekends. During the week you can ride all day and not see another group. Please let us know if you would like a county trail map.

RAINBOW RESORT also has more than 20K of private, on-site cross-country ski trails groomed for classic and skate skiing. Day ski passes are free for our resort cabin guests. Ski right from the door of your vacation lake home. There are a variety of trails from substantially flat beginner trails to rolling hills for the more advanced. While some members of your group go snowmobiling, others can try out the ski trails.
