

Eight new 3 & 4 bedroom lakeside Vacation Lake Home rentals built since 2000. They include great rooms lined in knotty pine, full kitchens with dishwashers and microwaves, 1 ¾ baths, electric heat with individual room controlled heating, etc. Some even have whirlpool tubs, fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three of our vacation lake homes are wheelchair accessible.

Our Vacation Lake Home rentals are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

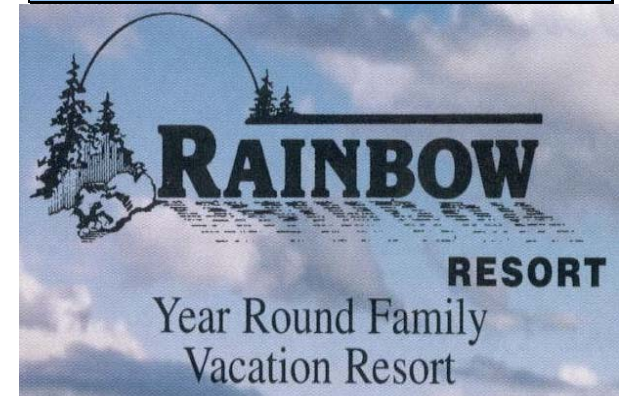

RAINBOW RESORT has more than 23K of on-site cross-country ski trails on resort property groomed for classic and skate skiing. The trails are for the exclusive use of our guests. Day ski passes are available and are free for our resort cabin guests. Ski right from the door of your cabin. Being located on the north boundary of the Tamarac National Wildlife Refuge, many of our guests like to ski on the refuge backdoor trails with their great scenery and wildlife.

Our remodeled cabins and new vacation lake homes are fully modern and winterized. Located about 50 to 150 feet from the lake, they provide beautiful views of the lake from their decks, which extend along their entire front. Picnic tables and grills are provided on the decks. The decks are facing south so they make for great outdoor grilling locations even in the winter.

Our trails are groomed for both classic and skate skiing to provide 20K of skate skiing and 23K of classic skiing. In this photo we are grooming the trails for classic and skate skiing with our Bombadier groomer and Yellowstone Track System (YTS) hydraulically operated track setters mounted on the groomer for creating single or double track sets. Since our trail system is resort owned, we groom the trails to meet large group requests and according to snow conditions.

There are a variety of trails from substantially flat beginner trails to rolling hills for the more advanced skier. Our trails are very level and are extra wide to allow classic and skate skiing. They are well marked and have rest stops. Itasca State Park with its roughly 50K of trails is only ½ hour away. Between Rainbow Resort, Itasca State Park and Tamarac National Wildlife Refuge there is an abundance of trails to ski.

MAJOR TRAIL EXPANSION UNDERWWAY

We are in the process of a major expansion of our RAINBOW TRAILS™ on-site, groomed cross-country skiing trails from 20K to 30K over the next few years. The original 20K of trails are roughly sixteen to twenty feet wide and are groomed for both classic and skate skiing. We have added 3K of classic ski trails in the fall of 2005 for 23K of trails. Day ski/facility passes are available to the public.

This is our ski waxing and winter rental equipment center. We have many different winter activities for the whole group including a skating rink sliding hill, snowshoe trails, ice fishing, disc golf, recreation center with game room, etc. We also have fish house, fishing equipment, snowshoe, ice skate and cross-country ski rentals. Sleds and discs are available at no charge for the use of our guests.

Newly remodeled in 2001, our lodge has a short order grill and miscellaneous supplies, including beverages and snacks, groceries, oil & gas, fishing tackle, live bait, ice, etc. The front of the lodge provides a scenic second story view of the lake and the wildlife which frequents the lake. The lodge makes a great dining/meeting place for your ski group or team. Meal packages are available.
